Crypto airdrops, swaps a valuation hurdle

Mumbai: Come April, the crypto crowd in India will be caught in a 'valuation' conundrum as they receive 'airdropped' coins and swap one crypto for another. Until now, almost everyone in the crypto universe has been oblivious of the need to value the virtual digital assets as free coins doled out in promotional drives by offshore entities landed up in their wallets, or when they traded a slice of their crypto holdings to own a different coin in cashless deals. Not anymore...

India's Captain Fresh more than doubles valuation to \$500 million in three months

Captain Fresh, a farm-to-retail platform for animal protein, has more than doubled its valuation to \$500 million in three months as the Indian startup deepens its footprints in the local market and begins to expand overseas. Existing backers Prosus Ventures and Tiger Global have co-led the startup's \$50 million Series C funding, Captain Fresh founder and chief executive Utham Gowda told TechCrunch in an interview. Existing investors including Accel also participated in the new round.

Land valuation for western ring road complete in Maval

Pune: The town planning department of the district administration has completed valuation of 138.95 hectares of land at Pachane, Bebaldhaval, Dhamne, Parandwadi and Urse villages in Maval tehsil to be acquired for the proposed western ring road project. "The land valuation has been done based on the last five years' land deals in the tehsil and ready reckoner rates. It will be discussed with each farmer before the actual acquisition process begins. If a farmer has any issues with the rate or deal, it will be dealt with separately. Our endeavour is to acquire land smoothly," said a senior official from the administration

UTI Mutual Fund's Vetri Subramaniam on Russia-Ukraine, market and stock valuation

The volatility in the market seen over the past five months has worsened in light of the Russia-Ukraine conflict. Investors, especially the new ones may be unnerved at the evolving market dynamics. Elsewhere, several new-age fund houses have come with passively-managed schemes at low costs, which have grabbed the attention of investors. Several international funds are also being rolled out.

Ukraine crisis: Govt may defer LIC IPO

With the Russia-Ukraine war roiling financial markets globally, the government may defer the mega IPO of LIC and wait for an opportune time to get the maximum value of its holding in the state-owned insurance behemoth, sources said. "It's a full-blown war now so we will have to assess the situation for going ahead with the LIC IPO," a government source said. Finance Minister Nirmala Sitharaman too had indicated review of the IPO in view of the evolving geopolitical situation.

Will LIC Dethrone Reliance Industries, TCS In Terms Of Market Cap Post Listing?

Life Insurance Corporation of India (LIC) may postpone its IPO to the next fiscal in view of the Russia-Ukraine crisis. However, the LIC IPO could be large enough to dethrone even the most valuable companies in India. The Life Insurance Corporation of India's (LIC) initial public offering (IPO) may get delayed due to the Russia-Ukraine crisis. However, when it lists finally, it may challenge behemoths, including Reliance Industries and TCS in terms of market capitalisation, thanks to a high valuation on the back of high embedded value
